I Understand that

- I am responsible for my own transportation
- at the end of my schedule time, my advocate will have to leave
- the cost of woman advocacy is \$45.00 per hour. My advocate's billable hours will include driving time, mileage/parking costs and post appointment documentation (0.25 to 1 hour)
- my advocate is not an expert in any specific service beyond advocacy. My advocate's scope of knowledge may be discussed, and my advocate is not responsible for my overall outcomes
- woman advocacy promotes personal empowerment and care analysis to improve my wellbeing. My advocate's goal is to support me in improving my empowerment and skill sets related to the advocacy services I have requested
- if I miss an appointment or cancel with less than 24 hours' notice, I will be charged the full \$45 per hour fee for the time requested.

By signing this electronically, I agree to the above terms and have had all of my questions answered.
